Re: Tentative Order R9-2008-0049, NPDES No. CA 0109134

Dear Mr. Robertus:

On behalf of the Industrial Environmental Association (IEA), we would respectfully request that Tentative Order No. R9-2008-0049 be postponed and considered for adoption in concurrence with the Navy and other shipyard (NASSCO and BAE) Tentative Orders. Major issues, particularly with regard to the acute toxicity requirements and testing, are similar, and we believe they should all be addressed on a comprehensive, not piecemeal, basis.

Thank you for your consideration of our request.

Sincerely,

Patti Krebs
